

OBERWIL

DINING TABLE | CM3548A-T

DETAILS:

This eye-catching set will bring a modern touch into your dining space. The thin single-panel top is warm and smooth in its antique oak finish, supported by round tapered legs. Staying true to any mid-century modern piece, the legs are angled and so are the chair backs, contoured and painted in black. From the striking contrast between these two colors and the interplay of curves and straight lines, a gorgeous piece is born--created to not only be the centerpiece of your home, but also a bold statement piece that will keep your guests talking.
