

# A Real Gem

## Caracole

When it comes to an inspired design choice, this chest is A Real Gem. Its distinctive look draws upon the beauty of natural stone's perfectly imperfect shapes and forms. Each of its two glass drawer fronts feature an exquisitely painted agate pattern that brings the beauty of the outdoors to the inside. A clean-lined, understated metal frame allows the beauty of the agate pattern to enjoy the limelight while slim, tapered legs complete the look. Finished in a smart shade of Brushed Nickel, this unique piece offers undeniable charisma.
