

# SP6DS3D

33.88" x 23.38" x 23.88" (H x W x D)

24" wide built-in undercounter 3-drawer all-refrigerator with stainless steel fronts and black cabinet

**Highlights:**

Unique 3-drawer design offers more options for organizing your cold storage

Flexible design allows built-in or freestanding use in 24" wide spaces

Weatherproof construction designed to hold up to the elements

**Product Features:**

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|
| 3-Drawer Refrigerator            | 24" wide all-refrigerator with three slide-out drawers for built-in or freestanding use                   |
| Three stainless steel drawers    | Slide-out drawers for full refrigeration storage and easy separation of meats, cheeses, and produce       |
| Commercially approved            | ETL-S listed to NSF-7 standards allows use in commercial kitchens                                         |
| Built-in capable                 | Front-breathing design lets you make the best use of space by installing your appliance under the counter |
| Stainless steel front & interior | Durable construction in a luxury finish                                                                   |
| Indoor/outdoor capable           | Durable, weatherproof construction designed to hold up to the elements                                    |
| Digital thermostat               | Electronic controls ensure easy temperature management, with an external readout in Celsius or Fahrenheit |
| Frost-free operation             | No-frost operation for minimum user maintenance                                                           |
| Open drawer alarm                | Audible alarm will sound if the drawers are left ajar for over a minute                                   |
