

Moderne Sideboard

Caracole

The Curving forms and long horizontal lines of the Streamlined Moderne movement have been updated in this low sideboard that is the perfect height for dining room service. Its high-style appeal comes from the fumed figured eucalyptus wood that has been finished to a high sheen in sultry Aged Bourbon and swept into two dramatic convex curves on each end of the piece. Three concave center drawers complete the graceful flow of this sideboard. They are wrapped in dark leather, trimmed in Smoked Bronze, painted on the inside in Dark Chocolate, and finished with elongated custom metal hardware. Behind the curvaceous exterior doors, find two cabinets painted in Dark Chocolate, each with one adjustable shelf. The sideboard rests off the ground on slender tapered legs.
