NOTES

Upholstery Material: Fabric

Steel seat box

Pocket on the right-hand side provides storage for the hand control and other belongings.

Heavy-duty mechanism will accommodate occupants weighing up to 300 pounds.

Extended footrest.

Removable backs allow for easy lifting and maneuvering through doorways.

Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.

A six-button wired power hand control on the right-hand side of the recliner allows you to control the reclining, headrest, and lumbar mechanisms independently. A single USB port is included on the top of the hand control.

A home feature returns the headrest, footrest, and lumbar support to their original positions.
