## TENCEL® PANEL

Our ultra-conforming knit panel is made with breathable Tencel®. This panel is eco-friendly and incredibly soft to the touch.

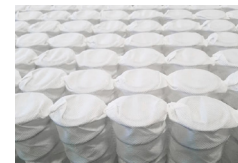

## AIRE-REACT™ MEMORY FOAM

Innovative open-cell material, highly resistant, durable and infused with Titanium for an enhanced thermal conductivity, promotes a cool and comfortable sleep.

## AIRELUXE™ FOAM

An incredibly durable and resilient foam which conforms to your body and aligns your spine to minimize sleep disturbances.

## WRAPPED COILS

Durable and supportive individually wrapped coils provide superior pressure relief for shoulders, back, and hips while minimizing motion disturbance between sides with shock absorption.
