Entertaining or simply relaxing  
XO fits your life

THE NEXT LEVEL IN REFRIGERATION

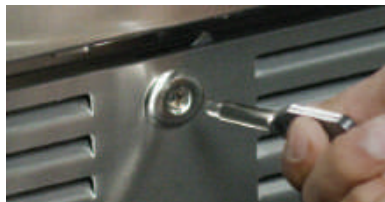

# BEVERAGE CENTERS

## EVERYTHING AT A GLANCE

Store and find anything easily with glass shelves that extend all the way out while fully loaded.

## SECURE DOOR LOCKS

Keep contents safe and uninvited guests out.

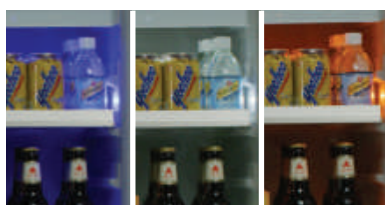

## DIGITAL TOUCH CONTROLS

Easily control temperature for chilled or icy cold beverages, adjust lighting and more with the intuitive control panel.

## XACTIVE AIR CIRCULATION

Filtered, conditioned air is recirculated to ensure a stable temperature and uniform environment.

## ELEGANT LED ACCENT LIGHTING

Create the mood you're looking for with tri-color interior lighting in cool Midnight Blue, clean Theater White or warm Honey Amber.

## 2 HANDLE STYLES INCLUDED

Choose between sophisticated Designer or Pro Style handles. Both are included with SS door models to match your decor easily.

# COMBO UNIT FEATURES

## DIGITAL CONTROL PANEL

Easily control temperature, adjust lighting and more with intuitive control panels. Combo unit compartments have independent controls.

## SECURE DOOR LOCKS

Keep contents safe and uninvited guests out. Combo unit doors each have a dedicated lock.

## FLUSH INSTALLATION

Like all XO Models, flush installation is easily accomplished with attention to details like low profile plugs and zero clearance hinges.

## XACTIVE AIR CIRCULATION

Filtered, conditioned air is recirculated to ensure a stable temperature and uniform environment.

## ELEGANT LED ACCENT LIGHTING

Create the mood you're looking for with tri-color interior lighting in cool Midnight Blue, clean Theater White or warm Honey Amber.

## 2 HANDLE STYLES INCLUDED

Choose between sophisticated Designer or Pro Style handles. Both are included with SS door models to match your decor easily.

# US | EUROPEAN | ADA CABINETS

- 1 Use the Optional Trim Strip (included) with the leveling legs retracted to fit US Standard height counters
- 2 Extend the sturdy Leveling Legs to accommodate a custom 6" (150mm) Plinth / Toe Kick
- 3 With the leveling legs retracted your XO GOA fits perfectly below ADA height counters

## ARTICULATING HINGE

The articulating hinges ensure a seamless integration with your cabinets and allow use of panels longer than 30".

## ADJUSTS FOR EUROPEAN PLINTHS

The sturdy leveling legs and foot sliders enable you to raise the unit for Toe Kicks up to 6" (150mm).

## OPTIONAL SS ADA DOOR PANEL

If your ADA install calls for a stainless finish use the optional stainless steel overlay panel which includes two different style handles. (XOU24ADASG)
