Cates Modular Sofa Dark Green

Smart design. Easy comfort. The Cates Modular Sofa delivers sink-in softness with a frameless, foam-based build that feels as good as it looks. Made entirely from dense foam, memory foam, and fiber fill—no frame, no tools—this modular design ships vacuum-sealed in space-saving boxes and expands fully within 24 hours. With wide arms, soft back cushions, and a grippy base that stays in place, it's lightweight, low-profile, and endlessly flexible—perfect for compact seating or built-out layouts.

- Streamlined Style: A bold, low-profile silhouette in a deep green finish—clean-lined and compact for modern living spaces of any size.
- Textured Durability: Upholstered in rich green 100% polyester with a soft touch and 50,000 rub count to handle daily use with ease.
- Plush Construction: High-density foam, shredded memory foam, and fiber cushions create that cloud-like feel—without any hard frame.
- Vacuum-Sealed, Small Parcel: Ships compressed in compact boxes to simplify delivery and fit through tight spaces—ideal for apartments, walk-ups, and smaller-scale living.
