

# Kitchenaid® 36" 585 or 1170 CFM Motor Class Commercial-Style Wall-Mount Canopy Range Hood

KVWC956KSS

## Available Finishes/Colours

 KVWC956KSS  
Stainless Steel

Equip your kitchen with a powerful 36-inch wall-mount canopy range hood designed to pair with 36-inch KitchenAid® Commercial-Style Ranges and Rangetops. A 90,000 BTU rating allows this vent hood to keep up with high-heat cooking on multiple burners. Two food warming heat lamps hold cooked items at serving temperature for up to an hour while you finish other dishes.

### Top Features

#### Four-Speed Fan

#### Power Boost Function

**Requires 585 or 1170 CFM Motor Class - Sold Separately**
