## Dezi Rectangular Mirror

1000-0158

*In Stock | New*

---

Overall: 36"h x 23.75"w x 1.25"d

Finish: Natural / Brass

Materials: Travertine / Brass / Engineered Wood / Glass

Item Weight: 48 lbs.

The Dezi Rectangular Mirror is made of natural travertine tiles arranged in a stacked dark-and-light pattern with a brass inlay running through the center. The effect of the intermingling of materials is a pop of brightness as the natural light hits the metal and a hint of warmth as the stone absorbs it. The surfaces of each decorative mirror will be slightly different given the natural material from which they are made.
