*Amazingly, while universally beloved, blue was one of the last colors to receive a name! Whatever you want to call it, this handsome royal navy blue chest is certain to become a favorite in your home! The serpentine front is enhanced by the deeply scalloped apron and curved legs. The solid mahogany chest sports 2 side hung, full extension drawers and a handy pull out writing tray. Lovely just because of the style and storage it offers, even more amazing if you picture it dressed up with your favorite bar ware for a party!*
