30-inch Smart Electric Combo Wall Oven with Intelligent Cooking Camera - Black Ore

Color  Black Ore

Product Description

Stay one step ahead in the kitchen with assistive cooking methods that provide a groundbreaking smart experience and new levels of precision that help bring out the boldness in every flavor. Live Look-In utilizes a built-in smart camera to give you a view of your creations without opening the door. Food Recognition uses a built-in smart camera to identify food, then suggests the best cook cycles. Doneness Detection utilizes a built-in smart camera that recognizes and alerts you when food is ready. LED Touchscreen display and backlit knobs allow for tactile display navigation. The backlit knobs also provide a visual cue throughout the cooking process, illuminating when the oven is preheating and flashing when cooking is finished.
