

Dri-Tec® Performance® Sheet Set

Sizes Available: Twin/TXL | Queen | King/Cal King

The Technology Behind The Innovation:

- The Dri-Tec® moisture-wicking fabric actively wicks moisture to keep you dry.
- Designed with a low thread count ensuring air flows freely through the sheets to keep you cool.
- Powerband® is a strong, highly durable, fully elasticized band that grips your mattress for a secure fit.
- Dri-Tec Sheets effortlessly conform to your body to move with you as you sleep, just like your favorite activewear.
- High efficiency machine washable, requiring less water and energy to clean.
- Available Colors: White, Beige, Light Grey, Grey, Blush, Forest Green
- Each component of this OEKO-TEX® STANDARD 100 certified product has been tested against a list of over 1,000 harmful substances.
