Finish: Antique Brass/Mirror

Materials: Wood/Brass/Glass

Availability: as of 9/16/2021 8:17:12 AM

Item Weight: 30 lb

The surface of the Margam Mirror has been stamped with a basket-weave pattern to give it depth. The gold mirror is made of wood over which the brass frame and mirror have been fastened. The antique brass finish is a design move of note, as the antiquing darkens the crevices of the weave pattern to provide the Margam with even more texture.
