

ASSEMBLY INSTRUCTIONS

Item #: G-17860-8-FB/G-17860-8-FBE

TOOLS Required

- Phillips Head Screwdriver
(Standard Size) – Not Included
- Allen Wrench - Included

Recommended (Not Required):

- Electric Screwdriver or Power Driver
CAUTION: DO NOT OVERTIGHTEN. If using an Electric Screwdriver or Power Driver, please make sure that the tool is set to a very low torque to prevent damage to the product.
- Socket Wrench Set

How to use the PARTS IDENTIFIER

Before you begin assembly, please make sure that you have all the parts listed and in the correct quantities. This will ensure the quickest and most organized assembly.

Be sure to work on the assembly on a soft non-marring surface such as carpet or the inside of the corrugate box top to prevent causing damage to the table surface during assembly. If using the box top, remove all staples from the box first.
