2200-0045

In Stock

Overall: 21.5"h x 16.5"dia.

Finish: Portland

Materials: Concrete / Iron

Item Weight: 32 lbs.

In the time-honored artistry of French garden accessories, the base of the Faux Bois Small Bird Bath is fashioned to resemble an aged tree that gracefully angles up to its top bowl. Durability is built into the make-up of this concrete bird bath.

The Portland finish that settles into the natural crevices enhances the illusion of age, which will make it blend in with its outdoor settings and fool the birds into thinking it was Mother Nature-made.
