

Halston Bed

Heirloom Black • 232427-001

Overview

Bold lines, a wide frame and heavy tufting speak to the Brazilian midcentury inspiration behind a bed of brown ash and black top-grain leather. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
