Large Granite Mushroom

2200-0058

In Stock | New

Overall: 19.5"h x 17.5"dia.

Finish: Textured Brown

Materials: Stone

Item Weight: 178 lbs.

To create the Large Granite Mushroom, artisans take a cube of stone and carve it until they reach a perfect mushroom shape. They then finish the sculpture in a textured brown to make it look like it's an aged garden artifact.
