Cover Material

Warranty does not cover tears, rips, flattening of nap, pilling, fading, shrink, soiling, normal fading, stretching, softening or damage due to improper use of chemical treatments or lack of care and maintenance.

The warranty does not include veins, wrinkling, natural markings or variations in grain; these are features of the beauty of natural hides.

Opening of zippers voids warranty; zippers are seam closures only and are not intended for opening.

Laminated Wood

Wood is a living material. Unevenness caused by temperature or moisture is considered as normal condition.

Mechanism

We will take care of steel issues beyond 1 yr period for safety reasons.

Cushion One (1) year Warranty

Cushions are warranted against collapsing for a period of one (1) year.

Loss of foam resiliency should not be confused with softening of foam or stretched cover, which are results from normal use. Owners of upholstered furniture should also expect foam and fiber fillings to compact over time.
