and brown undertones with a gold base

Exceptionally built using Iron and Marble

Construction Details: This side table is thoughtfully constructed with an inset genuine marble top, adding a touch of natural elegance and durability. The marble is set into a fully iron frame, known for its strength and longevity, ensuring the table can withstand frequent use. The frame features distressed detailing, giving it a charming, vintage-inspired look that pairs beautifully with both modern and traditional decor. The base is designed with a four-leg structure that provides stability, and the legs have delicate curves and knotted details that add a refined touch. This sturdy construction makes the table suitable for both residential and commercial spaces, offering a stable and stylish surface for decor or functional use.

Shape is round with 4 legs

Product Dimensions: 16"W x 16"D x 24"H, Item Weight: 29 lbs

Delivered fully assembled, this piece is ready to enhance your home from the moment it arrives.

Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

An all-iron frame offers durability, stability, and timeless strength, supporting heavy surfaces like marble. Resistant to wear, it suits high-traffic areas and features versatile designs with intricate details, ideal for residential and commercial spaces alike.

Marble is a natural stone with unique color, veining, and markings, making each piece one of a kind. Its porous nature makes it prone to stains and heat damage" use coasters and avoid placing hot or wet items to maintain its beauty.
