Product Description: The Bennett Club Chair is a larger-scale, higher-back lounge chair. It is designed for comfort yet not lacking in style. It features a loose, box-border seat cushion and back pillow with welt. The back pillow is situated above the back of the frame for look and comfort. The shape of the top of the arm flows into the wing, forming a subtle scoop effect where the elbow rests which adds both eye appeal as well as comfort. It has tapered legs.

Collection Features: With designs ranging from sophisticated modern to comfortably chic, our wide selection of fully upholstered chairs will add the finishing touch – and some panache – to your room. Personalization options are endless with different finishes, nail head trims, and covers available. Options limited by style.

Status: Active

Finish: A large variety of multi-step, upscale standard finishes available with no upcharge. Premier wood finishes with elaborate hand detailing available at slight upcharge.
