HENRICUS

GLIDER RECLINER | CM9911DB-CH

DETAILS:

Prop up your feet and recline into relaxation after a long hard day of work, or spend some quality time watching a movie with your loved ones on these cushioned pieces. From the arms to the cushions to under the flaps in the back, they are fully upholstered in soft fabric in a neutral tone to help ensure a seamless fit to any home decor. Firm yet comfortable seating is brought to you by cushions made of high density foam, fiber-filled backs, and no sag suspension underneath. A standalone glider recliner offers the same exceptional experience for a sole user.
