

EASTWOOD

DINING

TRANSITIONAL

Featuring wrapped metal band details and attractive mortis-and-tenon joinery on the base, Eastwood's clean lines and versatility bring function and style to any space. The smooth, rich tobacco finish makes a great complement to any room while the thickly padded and upholstered seats offer outstanding comfort. Thanks to the butterfly leaf extensions on the trestle and gathering height tables, this collection allows you to effortlessly increase the table length to accommodate more guests. Function and versatility is what this collection is all about.
