The Napa finish, featured on select pieces, exudes a darker aesthetic inspired by the robust red wines of Napa Valley. Designed to work within a variety of lifestyles and geographies, the light finish with the dark accent finish allows it to transition between rustic settings as well as more refined environments. Influenced by Spanish missions, quaint bungalows and local architecture, Vineyard Row seamlessly blends earthy elements with sophisticated design. durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

**Frame Construction:** Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Important Use Information:** We recommend using coasters, placements and trivets when using hot containers with this item. It is also recommended to provide quick cleanup for any spills to minimize exposure to moisture. Doing so will prolong the life and look of the item and provide many years of the quality you expect.
