Pulaski Furniture Website

www.pulaskifurniture.com

SKU: P301011

Availability: In Stock

Type: Entertainment Centers, TV Stands

Category: Home Entertainment

Collection: Accents, Portfolio

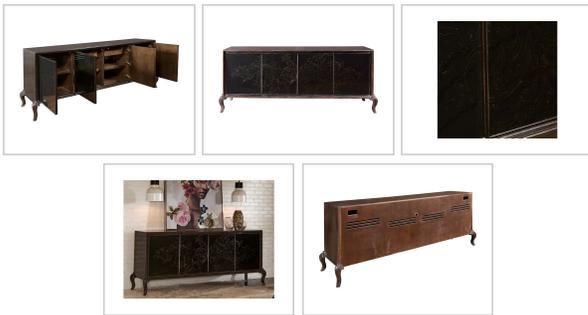

Number of Shelves: 4

Number of Drawers: 2

Style: Traditional/Formal

Finish: Blacks

Brand: Pulaski Furniture

Product Description: Exquisitely designed, this 4 Door Media Credenza exhibits bold beauty and classic motifs with a modern aesthetic. An ornate vectorized scroll design with hints of gold is displayed across the four glass doors, adding a baroque, oriental flair to a modern silhouette. Two tray drawers behind the center doors and one adjustable/removable shelf behind each door offer versatile storage options, while power supply and cord access keep all media devices operating. The high-sheen black finish characterized by gold rub-through highlights and cabriole-style feet provides the finishing touch that completes the look of this piece.

Status: Coming Soon 1

Max TV Size: 80" Flat Screen

Finish: High-sheen black finish with gold rub-through highlights

Features: Traditional statement piece with a modern aesthetic. Features four doors, one adjustable/removable shelf behind each door and two tray drawers behind center doors for a variety of storage options. Reverse hand-painted glass doors and cabriole feet. No assembly is required, furniture tipping restraint included for safety; hardware and instructions are included.

Material: Maple Wood Veneers

Drawer Construction: Pulaski Furniture offers full height, full depth and full width drawers for maximum storage capacity. All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use. Plywood drawer bottoms are attached to plywood drawer sides for strength and durability. Metal side guides or wood on wood guide systems operate smoothly.

Frame Construction: Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.

Width: 83.07" (211 cm)

Depth: 21.06" (53.5 cm)
