In Stock | New

Overall: 68"w x 14"d x 30"h

Finish: Whitewash

Materials: Reclaimed Wood

Item Weight: 202 lbs.

The Holland Console Table is a sustainable piece given it is made from reclaimed wood that is remarkably aged, which brings its surfaces tremendous personality, as does the trestle design with its mortise and tenon joinery. Because the whitewashed table is made from such raw wood, no two will be exactly alike. This piece is meant to be placed indoors only.
