Piero Basin Black Marble

A bowl that doesn't whisper—it anchors the room. Carved from Selwara black marble, Piero brings that grounded, timeless energy you usually find in old architecture and great coffee tables. The generous basin profile reads classic, but the clean lines keep it current. Each piece is solid stone, finished by artisans, with natural shifts in tone and veining that make every bowl one of a kind. Set it out, then let it do the talking today.

- Grounded Statement Form: A grand-scale basin silhouette with classic proportions and a transitional attitude, made to look at home on any surface easily.
- Selwara Black Marble: Cut from Selwara black marble, the surface shows authentic variation in tone and veining, so no two pieces match exactly.
- Solid Stone Carve: Carved from a single block, this solid marble bowl has satisfying weight and smooth finishing that holds up to everyday styling.
