

## VIVAR

BED | CM7220BG

### DETAILS:

Bring back the vintage appeal of yesteryear's Hollywood with this art deco-inspired piece. The simple frame with gold-plated legs accentuates the main focus of this bed—the beautiful chevron tufted headboard. The frame is wrapped in soft beige fabric all around for a piece that seems to be pulled out of history but gracefully updated for modern times.

Mid-century Modern  
Flannelette, Others  
Padded Headboard
