### Features:

- Leather Match upholstery
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of low melt fiber wrapped over high quality foam
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- Features a Polyester/Polyurethane blend Faux Leather upholstery along with Top-Grain Leather
- The collection features power adjustable head rests
- One-Touch Power Control features infinite positions for comfort, Easy View™ adjustable headrest and a Zero-Draw USB port
- Zero-Draw technology only consumes power when the USB receptacle is in use
- Zero-gravity mechanism (raises the ottoman to improve circulation) along with an Extended Ottoman for enhanced comfort
- Console features storage and 2 cup holders along with powerstrip and USB ports
- Zero Wall Recliner design requires minimal space between wall and chair back
- Collection features multiple sectional pieces to offer a number of configuration options
