The Sierra Counter Stool combines rustic charm with modern sophistication. The solid wood frame features thick, durable legs that create a sturdy foundation. The seat and back are upholstered in soft, honey-toned leather, offering both comfort and style. The backrest is adorned with hair-on-hide, ensuring that each piece is unique, with natural variations in the pattern. Antique brass nailhead trim wraps around the edges, adding a touch of refinement. With straight front legs and gracefully curved back legs, this stool exudes a warm, modern Western vibe, perfect for any kitchen bar or high table.
