

A Natural

Caracole

Reflecting the modern organic beauty found only in nature, this remarkable chest lends authentic character to a space. Its simple silhouette is accentuated by perfectly matched directional wood grain veneers that create a one-of-a-kind chevron pattern. An easygoing shade of Ash Driftwood highlights the stunning wood grains featured along its exterior while a Silver Driftwood finish brings out the beauty of the woodgrain pattern on top. A metal bead in Sundance Gold outlines the top and adds another touch of reflectivity while geometric drawer pulls and block feet give it substantial presence.
