

TRUFORM

15" STRATOS | SOFT PILLOW TOP

CertiPUR-US® Certified

Made in the USA

10-Year Limited Warranty

THE BUILD

- Fire barrier is made from a blend of fine denier silica-based rayon and other polymeric fibers that are thermally bonded and lofted.
- Two 7/8" Super Soft Quilt Foam layers provides a cloud-like comfort for your body.
- The 7/16" Gel Infused HD Quilt Foam is a soft, breathable layer infused with cooling gel to enhance temperature regulation and provide gentle, contouring comfort near the surface of the mattress.
- The 2.5" HD Super Soft upholstery foam provides cloud-like comfort throughout the sleep system.
- The 1" Isotonic Quick action Memory Foam is designed to provide advanced air-cushioning that cradles the body in all the right places.
- The 1.25" medium-feel upholstery foam layer is designed to gently conform to the body's contours while delivering long-lasting support and resilience. This layer enhances overall comfort and helps maintain mattress integrity over time.
- The 8" 5-zoned encased innersprings offer stability and support while also reducing motion transfer, so you'll feel less movement from your partner throughout the night.
- The 7/8" medium-feel upholstery foam layer is designed to gently conform to the body's contours while delivering long-lasting support and resilience. This layer enhances overall comfort and helps maintain mattress integrity over time.
