

STRATA DRAWER CHEST

Standing 58 inches tall, the Strata Chest is the perfect piece to highlight the tapered post design element found throughout the Aspire collection. As the vertical piece for the Aspire bedroom, it offers a productive storage options for rooms of all sizes. Four large, full-depth drawers make a great place for bulkier clothing, while the medium sized top drawers help to organize smaller items. A particular organizing feature hidden inside is found in the second and third drawers from the top where removable dividers are included.
