Product Description: Create a welcoming atmosphere with the Lawson's Creek Upholstered Arm Chair. The decorative nail head trim on the front panel with shaped top rail and armrests are charming details that offer a subtle yet eye-catching embellishment. The upholstered seat panels and chair seat enhance comfort, ensuring a pleasant dining experience while adding a touch of softness and warmth to the chair's overall aesthetic. Tapered legs with stretchers provide a sturdy and balanced foundation, adding structural support and a farmhouse flair.

Collection Features: Farmhouse style and elements of transitional design effortlessly combine to create a welcoming atmosphere with the Lawson's Creek dining room collection. The weathered oak finish and aged pewter accents add timeless charm and warmth to the overall look. Heavy crown molding creates depth and shadow, enhancing the overall appearance of this group.

Status: Active

Finish: A weathered oak finish gives a muted, worn look, capturing the essence of time

Features: Transitional farmhouse style combines warmth and simplicity with a timeless appeal
Features an upholstered front and back seat panel with an upholstered seat and armrests for a comfortable dining experience
Shaped top rail and armrests with intricate molding, decorative nail head trim and tapered legs with stretchers exude a sense of elegance and refinement

Material: Wood

Frame Construction: Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Fabric 1: Linen; 100% Polyester; SW: Spot clean with upholstery shampoo, foam from a mild detergent, or mild dry cleaning solvent. Do

not saturate with liquid. Pile fabrics may require brushing to restore appearance. Cushion covers should not be removed and dry cleaned.
