VS20R9045T3 – Jet™ VS90 Premium Cordless Vacuum

Core Messaging - VS20R9045T3

Priority		Feature	Short Copy (<65 Characters)	Long Copy (<300 Characters)
Primary	1	Removable and Longer-Lasting Battery (60 minutes)	Vacuum for 60 minutes before needing to recharge.* *Stated run time applies to the minimum power level with a non motorized tool attached. Spare battery purchased separately.	Use your vacuum for up to 60 minutes of cleaning before a recharge is needed. And you can easily swap the battery for a spare – providing you with up to 80 minutes of uninterrupted cleaning time.* *Stated run time applies to the minimum power level with a nonmotorized tool attached. Spare battery purchased separately.
	2	More Advanced Cleaning Performance (200 Air Watts)	200 Air Watts* clean hardwood, tile and carpeting. *Tested internally using IEC62885-2, cl.5.9, and IEC62885-2, cl. 5.11 test standards.	Cleans hardwood, tile and carpeting with 200 Air Watts* of intense suction power. The aerodynamic design of the air system optimizes airflow, while its multicyclonic air filtration traps dust particles instantly. *Tested internally using IEC62885-2, cl.5.9, and IEC62885-2, cl. 5.11 test standards.
	3	Lightweight Design	Vacuum stairs, reach beneath sofas and clean high cabinets.	Built to go around your home with ease at a mere 6 pounds, the VS90 makes it easy to vacuum stairs, reach beneath sofas or appliances, and clean high cabinets, window blinds and more.
Secondary Features	4	Turbo Action Brush	Cleans dust, hair and other debris on multiple surfaces.	Cleans dust, hair and other debris on carpeting and multiple surfaces with ease by rotating more than 3,700 times a minute. The 180-degree swivel head allows the vacuum to change direction effortlessly.
	5	Jet Cyclone	Multicyclonic force keeps debris from building up on filter.* *Based on internal testing using the IEC62885-2, cl.5.9, compared with Samsung VS80N8014KR/EN.	Enjoy strong, consistent suction power with this powerful multicyclonic system. The force that is created pushes dirt and debris into the dustbin, keeping it from building up on filter.* *Based on internal testing using the IEC62885-2, cl.5.9, compared with Samsung VS80N8014KR/EN.
	6	5-Layer HEPA Filtration System	Traps around 99.999% of microdust for cleaner air in your home.* *Based on internal testing, using Max mode, in accordance with the IEC62885-2 cl. 5.11 standard.	Captures pet dander, pollen and other allergens for cleaner air in your home. The main cyclone and metal mesh grille filter pick up large clumps of dust, the Jet Cyclone and microfilter capture fine dust, and an ultrafine dust filter traps around 99.999% of microdust.* *Based on internal testing, using Max mode, in accordance with the IEC62885-2 cl. 5.11 standard.
	7	Spinning Sweeper	Clean messes instantly to keep hardwood and tile gleaming.* *Stated run time applies to “wet” mode when the Spinning Sweeper is attached.	Clean up messes instantly to keep hardwood and tile floors gleaming. Choose from dual spinning wet pads or reusable microfiber dry pads. The sweeper holds its charge for up to 80 minutes.* *Stated run time applies to “wet” mode when the Spinning Sweeper is attached.
	8	Dual Charging Station	Charge two batteries at once in just 3.5 hours.	Charge easily with the freestanding Dual Charging Station. The slim design means you can place it anywhere, so there’s no need to mount it on the wall. And the dual charging adapters allow you to charge two batteries at once in just 3.5 hours, so your vacuum is always ready to use.
	9	Digital Display	Check power level and brush type; monitor alerts such as clogs.	Easily check your vacuum at a glance, including the power level and brush type, and monitor alerts such as airflow issues, clogs, missing filter and more.
	10	Digital Inverter Motor	Cleans more effectively with an energy-efficient motor.	Cleans more effectively with an energy-efficient motor designed for high performance while maximizing battery power.
	11	Washable Dust Bin	Dishwasher-safe, 0.8-liter dustbin for easy maintenance.	Dishwasher-safe, 0.8-liter dustbin for easy maintenance. Now compatible with Samsung Clean Station.
	12	Mini Motorized Tool	Breathe easier and reduce allergens with this handy tool.	Breathe easier and reduce allergens with this handy tool. It hygienically removes fine dust and pet hair on furniture, rugs and more, and fits easily into tight spaces.
	13	Long-Reach Crevice Tool	Reaches tight corners, crevices and other awkward areas.	Reaches tight corners, crevices and other awkward areas in your home such as under a bed or the top of the fridge. Picks up dust and dirt quickly with the telescopic pipe.
	14	Combination Tool	Dusting and upholstery tool picks up dirt on furniture.	This combination dusting and upholstery tool picks up dirt on furniture gently yet effectively and works on window frames and tabletops. This versatile tool is also an easy way to get to those hard-to-reach places when vacuuming your car.
