Rye Queen Bed Warm Brown

An inventive translation of piping detailing on traditional upholstery, the tonal woven soft rush headboard and footboard add texture while complementing the solid mango wood construction of the Rye collection. More commonly recognized as Tatami-omote, this tightly woven multilayered natural rice straw is a centuries-old natural material known for its durability and temperature absorption originating in Japan.

- Solid mango wood frame. Tatami mat over MDF headboard & footboard
- Supportive slats are included with this design to ensure the mattress doesn't sink or slide, no box spring necessary
- Compatible with adjustable base frames. Remove the slat system to accommodate
- Constructed from mango wood sustainably sourced from trees that no longer produce fruit
