## Savanna Outdoor Accent Chair Brown

For patios, naps, and not lifting a finger. Savanna reimagines the sling chair with a hand-woven hyacinth seat that brings texture you can feel and support you can sink into. Solid teak legs add warmth with a toasted finish, while a hidden aluminum frame brings extra support behind the scenes. Tactile, tonal, and made for laid-back living.

- Sling Style: Relaxed sling style chair design offers comfort and a laid-back aesthetic.
- Hand-Woven Seat: Twisted synthetic hyacinth is skillfully hand-woven to create a durable and comfortable seat.
- Solid Teak Legs: Sturdy teak legs with a toasted finish provide a warm, natural complement to the tonal wicker.
- Tonal Wicker: The wicker's tonal variation adds visual depth and texture to the chair's design.
- Aluminum Frame: A supportive aluminum frame ensures stability and longevity.
