

FURRION

Furrion Aurora® Partial-Sun Premier 4K LED Outdoor Smart TV

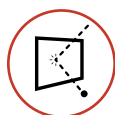

Designed for the ultimate outdoor entertainment experience, the Furrion Aurora® Partial-Sun Premier 4K LED outdoor smart TV is packed with premium features like an XtremeShield™ IK08-rated impact-resistant screen for protection and RangeXtend™ external antennas for a stronger WiFi signal.

Built for the Outdoors

Invite your friends and family and take your entertainment outdoors with the Furrion Aurora Partial-Sun Premier 4K LED outdoor smart TV! This outdoor television is uniquely designed for the ultimate outside entertainment experience, featuring a weatherproof TV housing that protects the internal components and delivers IP54-rated protection. The screen delivers a stunningly clear picture at 1,500-nit brightness and features HDR10 for a deep, rich contrast. It also features an XtremeShield IK08-rated impact-resistant screen to protect against scratches and collisions and is rated to withstand extreme operating temperatures from -24° to 122°F (-31°C to 50°C), non-operating temperatures of -27° to 140°F (-32°C to 60°C) and storage humidity of 10% to 90%.

Anti-glare, 1,500-nit LED screen for a clearer, brighter picture

XtremeShield™ IK-08-rated impact-resistant screen for protection against collisions and scratches

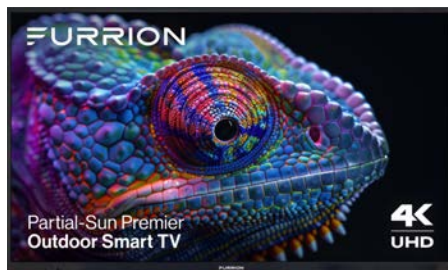

RangeXtend™ WiFi-boosting external antennas for a stronger signal

Features

- 4K ultra-high-definition for a better viewing experience
- IP54-rated, weatherproof housing to protect against the elements
- Smart platform powered by webOS Hub allows for streaming your favorite apps, movies, and shows
- HDR10 for vivid colors and deep, rich contrast
- Designed for partially sunny outdoor living areas like patios, decks, and yards
- Can also be used for indoor areas where glare is an issue
- Up to 4x brighter than standard indoor TVs
- Compatible with Furrion outdoor soundbars, mounts, and covers
- Available in 55", 65", and 75" sizes
- Includes standard remote with weather-resistant sleeve, magic remote, (2) AA, and (2) AAA batteries
- Backed by a two-year warranty

Integrated smart functionality allows for easy streaming of your favorite shows and movies – no additional streaming device required

The 4K UHD picture of this outside TV and HDR10 provides vivid colors and deep, rich contrast to create a better viewing experience

Rain or shine, enjoy year-round outdoor entertainment with the IP54-rated, weatherproof housing that protects against the elements
