

Around The Corner

Caracole

A masterful mix of form and function, this mid-century-inspired console stirs interest with its linear design and host of storage options. Sliding tambour doors in Moonstone add texture and contrast to an Almond Milk finish. Framed in Almond Milk, four center drawers feature vinyl fronts, embossed with a pattern reminiscent of rain trickling down a windowpane. Expansive storage offers two fixed shelves on the left, offset by five soft close drawers on the right. Modern and multifunctional, its clean-lined design is well-suited for living, dining, and bedroom interiors.
