Highlights

- **10-year Limited Warranty**
Enjoy peace of mind knowing your washer is backed by a 10-year limited warranty.
- **Adaptive SmartDispense™**
Save time and effort with a dispenser that holds enough detergent for up to 32 loads. Plus, scan the barcode on the detergent bottle with the SmartHQ™ app and the washer will dispense the right amount based on the type of detergent.
- **Easier Access Capacity**
Enjoy large capacity and still reach the bottom of the washer with comfort and ease.
- **ENERGY STAR® qualified**
Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings.
- **Enhanced Smarter Wash Technology**
Adaptive Smarter Wash Technology enables greater optimization of cleaning power and fabric care within each cycle.
- **Microban® Antimicrobial Technology**
Antimicrobial protection is built into key washer components to help prevent the growth of odor-causing bacteria in areas like the tub, dispenser drawer and drain hose.
- **Power Pre-Wash**
Clean even the most heavily soiled items with a single cycle that adds detergent, agitates, soaks, drains the dirty water and repeats the wash process with clean water and fresh detergent.
- **Quiet Wash w/ dBt**
The direct drive motor and patented Dynamic Balancing Technology minimizes uneven loads and provides a quieter wash.
