Presidential Suite

PLUSH

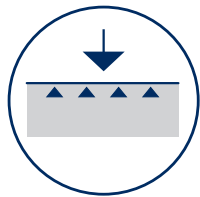

10 Year Non-Prorated Warranty

Invest in quality sleep for just pennies a night over the life of the mattress.

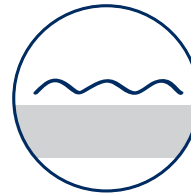

Gel-Enhanced Memory Foam

Promotes the transfer of heat away from your body, aiding in temperature regulation to help you sleep. It also provides more support than traditional memory foam.

Foam Encased

Foam encasing supports the perimeter of the mattress and increases the life of the mattress since the edges receive the most compression and show wear first.

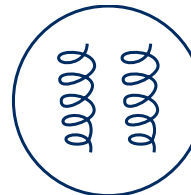

Plush

A softer sleep surface achieved by using specialized body conforming materials.

Gel Support Foam

Provides outstanding support while cradling the body and transferring heat.

800 Coil Innerspring System

Continuous coils provide more of a support surface area. Coils are positioned to give more support in the middle of the mattress, where it is needed most.

CertiPUR-US Certified Foams

Made without ozone depleters, PBDEs, TDCPP, TCEP ("Tris") flame retardants, heavy metals, formaldehyde, phthalates regulated by the Consumer Product Safety Commission.
