

## Erie Dining Table

Dark Smoked Oak • 101338-003

### Overview

A shapely take on the traditional trestle dining table, a spacious table of dark-smoked oak is ready to welcome guests for any occasion. Ombre-like highlights are common, and speak to woods which have been specially selected for their unique natural patterns and graining. A subtle variance in color and pattern is to be expected from piece to piece, and is reflective of materials' organic sourcing.
