Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 7' Silver

Switch: 3-Way Turn Knob

Shade: Natural Linen

Shade Dimensions: 17" x 11"h

The Oldwalls Table Lamp is made of concrete onto which a painterly pattern has been applied in a mix of matte black, charcoal gray, and brown, the composition then antiqued to look aged. The arrangement of the varied shapes in different colors is reminiscent of the cubist movement, and the textural feel of the antiquing gives the lamp a vintage feel.
