

## ALISON

BED | CM7416GY

### DETAILS:

Illuminate any space with this beautiful bedroom set. A strip of LED light is hidden behind the headboard's textured main panel, which results to a visually stunning glow around the rectangular centerpiece. Mysterious and cool at the same time, the light reflects on to each piece of the ensemble, which features a gray finish with a slight sheen. Translucent hardware made of acrylic materials adds to the luminous potential of this dazzling set.
