ALTO COLLECTION

Alto explores sculptural modernism through a warm, elevated lens. Crafted in a smoked umber finish with wire-brushed texture and a satin, wax-like sheen, the collection embodies a refined Organic Modern sensibility. A signature horizontal square tambour detail wraps doors, drawers, posts, and bed forms, establishing a strong yet rhythmic design language. Brushed brass hardware, reduced to its simplest form, punctuates each piece like fine jewelry. The credenza is crowned with a Diana Royal Honed marble top, adding a note of quiet opulence. Derived from the Italian word for “high” or “elevated,” Alto reflects a refined sense of proportion, presence, and understated luxury—rich and elegant, yet approachable. Oak Solids & Veneers, Brushed Brass Hardware.
