THE BUILD

1. Knit fabric stretches in four directions, allowing you to get the most out of the comfort layers in your bed.
2. Medium-firm quilt foam layer is designed to conform to your body while providing long-lasting support.
3. High-density fiber pad provides stability and support to your mattress.
4. The VertiCoil system features a strong perimeter and consistent coverage across the entire surface of the bed, reducing sagging and roll-off.
