PRODUCT DESCRIPTION

We’ve made it easy to indulge in extraordinary comfort and style with this power recliner. When it’s time to unwind, the one-touch control puts the perfect position at your fingertips. Tufted upholstery in the lumbar section delivers additional comfort for your lower back, while USB charging keeps your devices powered up as you chill out. And let’s not forget its neutral hue, which looks right at home in any decor. Life just got a whole lot sweeter.

- One-touch power control with adjustable positions, Easy View™ adjustable headrest and zero-draw USB port
- Zero-draw technology only consumes power when the USB receptacle is in use
- Zero wall recliner design requires minimal space between wall and chair back
- Easy View™ adjustable headrest puts your head and neck in optimum position for reading or watching TV even if you're fully reclined
- Corner-blocked frame with metal reinforced seat
- Attached back and seat cushions
- High-resiliency foam cushions wrapped in thick poly fiber
- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Power cord included; UL Listed
