## Lyon Outdoor Dining Table White Terrazzo

For lounging in the sun with an ice-cold beverage or dining into the late evenings under the moonlight, the Lyon outdoor dining table is a statement of easy, unpretentious living. Rounded geometry and a unique concrete terrazzo composite construction stand out against the organic aesthetics of open-plan gardens or open-air patios. The natural beauty of minerals adds visual texture with a ribbed, hollow base amplifies a studied approach to details.

- Foam core with metal bar reinforcement tabletop with outer solid greystone terrazzo cement construction
- Ribbed, pure white hollow concrete base. Comfortably seats 6
- Concrete, fiber-mix concrete & terrazzo are unique composites that will vary in color, pattern & texture. No two items made from these materials are alike & product imagery may vary slightly. Please review our Care Guide for this product to ensure longevity
- Suitable for indoor or outdoor use. Store inside or cover while not in use during inclement weather
