Product Description: You'll want to linger and gather for hours around your counter or counter-height table in the inviting Comfort Counter Stool. The seat is upholstered in an aniline top grain leather, and the back is in a woven, desert-colored fabric, and both are accented with bronze nailhead trim. The bobbin-style stretchers and legs add authenticity. Seat height is 25 inches.

Collection Features: Inspired by the most beautiful examples of American countryside, Hooker Furniture's Hill Country Collection imparts an authentic American character. Hill Country is a collection of bedroom, dining, home office and accent furniture crafted of flat-cut rustic white oak veneer that is cracked before the finish is applied to appear seasoned over time.

Status: Active

Finish: BLK: An anthracite black with light dusty-wax hang up. Distressing includes rasping, gouging, chopping and worm holes.

Features: The back of the chair is cracked veneer

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Leather: Huntington Collis (Aniline Top Grain)

Fabric 1: Blackwood Desert; 100% Polyester; Cleaning Code W (Clean with water-based cleaning agent)
