 **SENNHEISER**

CXC 700

Presenting CXC 700 - Sennheiser's inaugural travel headphones with NoiseGard™ / digital and TalkThrough function. Engineered for discerning business travellers and frequent flyers, these premium ear canal phones feature the latest incarnation of Sennheiser's active noise cancelling technology - NoiseGard™ / digital – which identifies and reduces even more unwanted ambient noise. Moreover, its tri-mode design allows you to select from one of three different digital noise cancellation modes based on different acoustic environments.

- Highly advanced acoustic system for excellent audio performance
- Audio transmission always works – even in passive mode and without the batteries
- Integrated control box enhanced usability and convenience
- Sleek ergonomic design with striking metalized components for a modern, sophisticated look
- Optimised for inflight entertainment systems as well as MP3, DVD, mobile phones, iPod, iPhone and iPad
